## LAND COURT RULES AGAINST ANDERSON

Associate Justice Joseph R. Cotton of the Land Court, on June 7th ruled against the petition of Minot J. Anderson versus Town of Wilmington, questioning the validity of the Zoning By Law with respect to a parcel of 3.4 acres in area, adjacent to Route 93, near Lowell Street.

Anderson twice sought to have the land rezoned in Town Meeting, in 1959 and 1962, once for business and once for industrial purposes. In 1962, when he sought to have it rezoned for business purposes the Wilmington Planning Board unanimously approved, but it was turned down in Town Meeting.

The land in question is swampy and is zoned for residential purposes. Anderson, in court, maintained that to fill the land so that it would be suitable for residential uses would be too expensive, and that this constituted a hardship.

Anderson's attorney, Richard C. Sheppard, based a part of his arguments on the case of Barney & Carey versus Milton, where a Supreme Court decision held that to refuse to rezone some swampy land (which the court called 'attending peculiar circumstances') would amount to arbitrary, unreasonable and oppressive deprivation of the owner's interest in his private property.

The court observed that Wilmington is a swampy area, and that the swamps spread over 25% of the town, and that to say that a town with the characteristics of Wilmington cannot adopt a broad zoning act, including areas not usable for the specific use, would be unreasonable and would deny the town an opportunity to adopt any zoning. It ruled that the zoning by/laws of the town as applied to Anderson's land, were valid, and of full force and effect.

AROUND THE WORLD IN '63 is the title of a Dance Recital to be given in the High School Saturday evening, by the Sughrue Sisters School of Dance. It is sponsored by Troop 63, Boy Scouts of America.

The regular meeting of the National Association of Retired Civil Service Employees is to be held Friday, at 2 pm at the home of Mrs. Laura C Morrison, 6 Silver Lake Ave. After a short business meeting there will be a picnic luncheon and social hour.

## VFW BUILDING OK

The Board of Appeals, this week cleared the way for the Nee Ellsworth Post of the Veterans of Foreign Wars to enlarge their building on Main Street.

Approved by the board was a proposal to add another story to the building, which, since its start in 1947 has consisted of a cellar-type meeting room.

Plans for an attractive looking building were displayed, at the hearing, which took place on April 23rd. The plans called for two small extensions of the foundation, northeasterly and northwesterly. The completed building is to be 40 by 50 feet.

In granting the variance the Appeal Board said that it 'recognizes that -- exceeds 50% allowable authorized (variance), but believe, however that a refusal of this variance could in effect prohibit the post from placing a building -- it will better serve the town to promote the beauty, safety and convenience as well as to lessen the danger of fire and congestion'.

In other actions this week the Appeal Board granted a variance to Henry G Mullarky of North Wilmington to divide land he owns on Middlesex Ave into three lots, each having 3 ft less frontage than the law provides for.

Mr. Mullarky's case was heard on May 14th.

The Board also granted to Warren and Nancy Anderson of Burt Road a variance to build on a lot on Hillcrest Street, with a variance of 20 feet on the back lot line, and of 6,250 square feet in the total area.

The Board denied a requested front yard variance for a proposed recreational building on Main Street.

Heard on May 23rd, the Northeast Engineering Co of Saugus had requested that the required 50 ft front yard be reduced to 15 feet. A variance would not be consistent with the Zoning By Law.

OLD AGE HAS ITS MERITS was the sermon subject of the Rev. Francis W Mackin of St Thomas Church, last Saturday, during the Solemn High Requiem Mass for Pope John XXIII. Father Mackin drew a lesson on the work done by His Holiness, after his election at the age of 77. Shown seated, during the Mass, are Selectmen Mrs. Drew and Charles Black, TM Gerald Bouchard and Selectman De Felice.

## USE BASEBALL BATS INSTEAD!

There was a somewhat bitter session at the Board of Water Commissioners last Thursday evening, when the Commissioners got to the discussion of the loss of a well field, in the former Town Park, during the recent special Town Meeting.

Commissioner Waldo Stevens related that he had told Town Manager Jerry Bouchard that the didn't think much of the way Mr Bouchard acted in the Town Meeting. 'Fence Sitting' was a word Mr. Stevens used.

Discussing the thought that there had not been enough notification, Stevens declared that the former Town Managers, Lancaster and Melzar, had both told the various boards, that stories concerning the proposal had appeared several times in the Town Crier, and that only a few weeks before the Town Meeting the Town Crier published a picture showing Selectmen, Planning Board and Water Commissioners discussing the subject, jointly.

The Water Commissioners said that there was no other site in the Town Park, other than that proposed, for a well. They had hoped to be able to supply an additional 500,000 gallons of water a day from this well.

'If they (the Selectmen) come to us and ask for more water for industry,' said Stevens, 'We're just going to have to tell them to use a baseball bat instead!'

## TOWN TEAM BOUNCES BACK

The Wilmington Town Team of the Carling Intercity League has won three of its last four games to move right up among the league leaders, in its first year of competition.

Too early in the season for predictions, the club has surprised its followers, by rebounding quickly after losing the first two games to Woburn (5-1) and the 1962 champs, North Cambridge (8-1).

In the Woburn game pitchers Bob Porteus and Joe Guerin did an adequate job, but faulty fielding and a lack of hitting swung the game to Woburn. Johnny McCabe banged out two hits against left-hander Jack Rotondo, who was last heard of in these parts when he defeated Ricky Froton in an Eastern Mass tournament game in Reading in 1961. Ricky of course went on to avenge that defeat when he out-pitched Woburn's Ed Foley in 1962. Ed is now playing for the Woburn City Club too.

The game with North Cambridge followed a similar pattern. Starter Jeff Williamson and Reliever Bob Dik pitched well, but errors and a consistent absence of timely hitting by Wilmington gave No. Cambridge its first victory of the season.

The worm turned a week ago Tuesday in Medford, the first game away from home. Left hander Bob Porteus breezed through the first inning, but Medford opened the second with a line single to left field.

Sandy Clifford followed with a home run over Jimmy Gillis' head in center field, and Wilmington was

THE WILMINGTON TOWN TEAM OF THE CARLINGINTER-CITY LEAGUE. Front: L to R: Leonard Gagnon, George Dixon (Chelmsford) Jeff Williamson, Jimmy Gillis, Bob Dick and Kevin Field. Rear: Bob Porteus, Joe Beaton, John McCabe, Joe Rexford (batting 1000), Billy Lussier (Chelmsford) and Jerry Perry (BillERICA).

behind, 2 - 0.

Gillis, leading off in the fifth, singled. Jerry Perry drew a walk, and Tom Payne, a Chelmsford boy, pulled a double down the left field line to score the first run and set up two more at second and third.

Before the inning was over five runs were in, including a steal home by new catcher Jerry Perry,

who is a student at Lowell State College. Jerry stole home seven times, while playing for Lowell State this spring. Another run was scored in the sixth, and Wilmington brought home its first win, 6-2.

The following night Wilmington was 'at home' to an undefeated Reading club which had walloped North Cambridge 13-7, and top-

pled Winchester, 7-5. Former No. Reading football star Bill Cotter opened the game with a topped roller down the third base line for a hit. On a steal to second the ball went into center field, and Cotter, who can really fly, kept running and scored when the ball was thrown over the third baseman's head.

After that it was 'Katy, Bar the Door'.

Jeff Williamson, who had got the nod from Manager Bob Hastings to pitch the game, gave up a line single in the first to Brooks, and a pop fly double to Brooks in the fourth for a three-hit, 9-1 victory.

Shortstop Kevin Field led the hitting attack with three straight singles which hiked his batting average to 429. Gillis, McCabe, Beaton, Perry and Williamson also banged out hits as the local team put on its first solid hitting show of the year.

Last Friday evening the Lexington Town Team arrived sporting a league-leading record of 3 wins, 0 losses and 1 tie. Since the league employs a scoring system similar to that used in the National Hockey League where a win is 2 points and a tie 1 point, Lexington was in first place with a 7 out of 8 possible points.

## TOWN NOTES

### K of C Note

The Wilmington Knights of Columbus are to acquire some land for their new home, the rumor has it this week.

For several of the past years the Knights have been looking for a site to build their home. The story today is that they are to acquire a piece of land that is just over an acre in area, at the end of School Street. The land is at present a part of the St Thomas churchland, and is owned by the Archdiocese of Boston.

### Cagy Sam's Coaching

We have to report that Cagy Sam (Ethier) has now taken over as a volunteer third base coach, for the American Legion team, in the Wilmington Softball League.

Further, the team hasn't lost a game since Sam took over - they have won six straight!

Of course the boys in the team think its their wonderful ball playing abilities - but the Town Crier knows better.

With Cagy at third base -- who could lose?

### Fishing

The fishing suddenly has become - well, not wonderful, but at least very good, in the Ipswich River, on both sides of Route 93.

In the last couple of weeks the Town Crier has had reports of an even half dozen fellows filling up their creels with trout - not too large, but measuring up to 10 inches.

The best place, according to one of the Lippert youngsters, on West Street, is right between the two traffic lanes. He has had his limit at least once, doing it this way.

METHODIST CHURCH TO  
HIRE ARCHITECT

At a combined meeting of the Quarterly Conference and Church Conference, the congregation of the Wilmington Methodist Church heard a report from the Building Committee with regard to the need for additional educational space.

The Building Committee had been charged with the responsibility of studying the present Educational Building, to ascertain whether a significant amount of additional space could be found there by renovation. The Committee agreed unanimously, after intensive investigation, that no significant amount of additional space could be found in the Educational Building to meet the needs of a rapidly growing church school.

As a result of this report, the church congregation voted to authorize the Building Committee to hire an architect and instructed the Nomination Committee to bring to a called Quarterly Conference a slate of five nominees for a fund raising committee.

After preliminary sketches and plans have been secured from an architect, they will be submitted to the church for approval.

Howard S. Richter, M. D.

announces that on July 1 he will open an additional office for the practice of the specialty of Internal Medicine in partnership with Leonard Wolsky, M. D., at 18 Warren Ave., Woburn, across the street from Choate Memorial Hospital. Office hours will be by appointment.

# \$19,500 AWARDS TO GRADUATES

The Class of 1963, Wilmington High School, exceeded all previous classes, in awards, in the graduation exercises, held Sunday afternoon. Counting the scholarships granted by colleges, the totals were \$19,500. Over \$9,000 was from local sources.

Several of the local scholarships have been increased, such as the

Charles River Laboratories scholarship, now \$500, for a Biology major, and the Wilmington Tewksbury Elks, now \$500. The Wilmington

Veterans established a new scholarship, of \$300.

Valedictorian Marilyn Mann was not among those who received an award. Miss Mann is going directly into business, and the determining agencies reserved the awards for others. Perhaps the day will come when there will be awards for students who are not planning college.

Miss Mann's Valedictory address was notable for its lucid thinking.

The Wilmington Boosters had a total of five awards, setting a new record.

Bouvier's Watch award, based on attendance, went to three pupils, Dennis Crispo, Alice Chisholm and Richard Lee.

The proudest grandparents were Mr and Mrs Walsh of Tewksbury. Mrs Walsh was wheeled up to watch her grandson, Salutatorian John Bovitz deliver his address.

### TOWN TEAM (Fr. Pg. 2)

Lefty Bob Porteus was again on the mound for Wilmington. For the third time in a row, Wilmington let the opposition get the jump on them as Lexington opened with two singles and a double from the first three batters for two quick runs. Wilmington, however, scored a run an inning for three innings to regain the lead. Kevin Field's line single in the first scored Joe Beaton who had singled up the middle and stolen second. In the second it was Jimmy Gillis' squeeze bunt with the bases loaded that scored Williamson with the tying run, and McCabe scored in the third, from second base, when the catcher's attempted pickoff of Tewksbury's Doc Guthrie went into right field for a two base error.

The game ended in spine tingling fashion. Lexington had runners at first and second with one out, when a ground ball was hit to short. Kevin flipped to Johnny Rexford at second for one out but the relay to first could not catch the batter.

In the meantime the runner on second had rounded third and was heading home with the potential tying run. Joe Beaton fired to Jerry Perry, who blocked the plate, tagged the runner, and held onto the ball for the final out of the game.

Wilmington journeyed to Wakefield on Sunday to take on a strong Wakefield club. Billerica's Joe Guerin started on the mound and matched goose-eggs with Wakefield's Larry McShane for five innings.

In the top of the sixth Bill Lavery, who had hit a 'foul home run' in the first inning, smashed a triple off the right center field fence to knock in Wilmington's first tally.

The home team came right back in the last of the sixth to score, led by a tremendous homer over the left field fence by 240 pound third baseman Hartung.

Lavery later doubled and George Dixon, who is a Junior at Chelmsford High School, hit a home run but it wasn't enough as Wilmington dropped an 8-4 decision. Several members of the team were not available for the game because of high school graduation.

The schedule for next week calls for Wilmington to be home to Winchester on June 12th and at home for Watertown on the 14th.

Next Monday the team will travel to Arlington High School field for a contest with the Arlington Hoboes. Tuesday they play at Watertown's Victory Field. Wednesday finds them back home with a game with Arlington, and next Thursday's contest will be with Winchester at the Winchester High School diamond.

The team can use the support of the Wilmington fans. Come out to the ball park and see some interesting baseball!

### TWO BOARDS VOTE TO SELL VETERANS HOUSING

Following a vote of two weeks ago by the Wilmington Housing Authority, the Selectmen, Monday night voted that they believed the town should dispose of the Veterans Housing Authority, on Wildwood St.

The vote of the Selectmen was unanimous, but former Chairman Eddie Forrest of WHA abstained from voting.

Last February the WHA considered selling, but came to no decision after a plea by Veterans Agent Arthur Harper that there be a delay.

\$156,000 in bonds is outstanding, on the project. The approved prices, at this time, is \$2,500 for the three bedroom houses and \$11,250 for the two bedroom homes.

WHA Chairman Ernest B Rice said Tuesday night that there would be no definite knowledge of what could happen for a month.

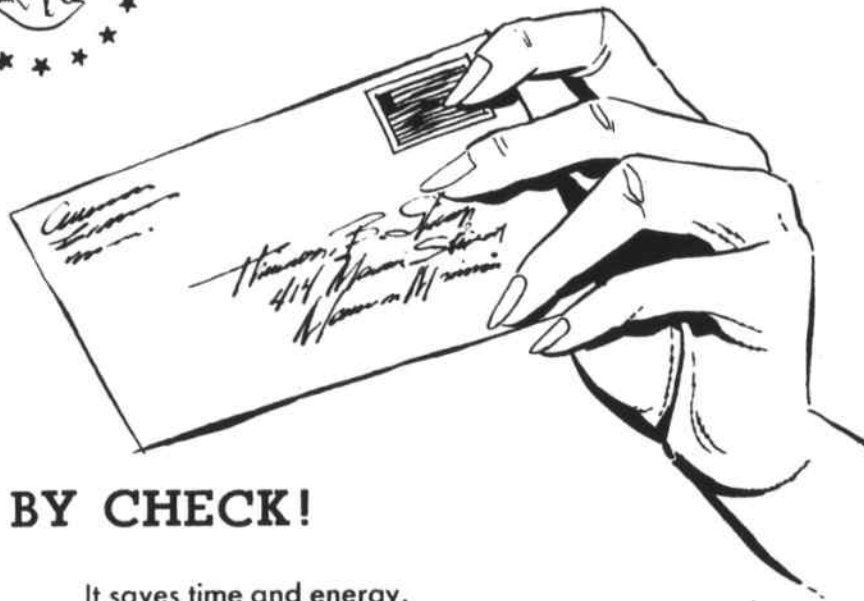

If approved, the sale would probably be around Labor Day.

Occupants have first choice. After that the choice goes to World War II veterans living in Wilmington. In third place to buy the homes are surviving widows and mothers of World War II veterans, providing that the discharge from the service was other than dishonorable.

If houses are still left after the widows and mothers have had an opportunity, any other resident of Wilmington can buy a home. Citizens of the Commonwealth come next, followed by an Urban Development Corporation, and finally any other person.

## Helpful Hint

A Pershing Street lady won an award, last week, from WBZ's Dave Maynard show for Harried Housewives.

Mrs Barbara Merrigan suggest that the way to keep a laundry cart from flying across the yard on a windy day, get a red brick, wrap it in a piece of newspaper, and then in a piece of aluminum foil. Place it in the cart with the clothes on top, and no matter how strong the wind blows, the cart will stay put.

What happens if the brick is white, Barbara?

## Paint Spraying

In these modern days painting is child's play, if one uses the cans of paint, mixed with compressed air, which is simply sprayed on the piece to be painted.

A child can do it.

And it was a child, mentally at least, who sneaked in back of the fire station Monday night, with a spray can, and did a job on the car of one of the firemen who was on duty.

Jack Burke was the unlucky fireman, and now he has to get a new paint job on his car!

## Barbecue Special

We note that the Munroe Paper Company has a special new addition, not entirely devoted to the production or sales of paper in its various forms - viz: A brand new Barbecue Pit, across Waltham Street, from their office.

It will be a good excuse for the boys to stay and work overtime, and cook their own supper while they're at it!
